

Audio Digest Tutorial

Audio Digest Foundation is a great and convenient resource for brushing up on different topics, studying and fulfilling continuing education requirements. The library has Audio Digest CDs available and now offers access to these great programs online. They can either be downloaded as an MP3 file or listened to immediately.

Logging on

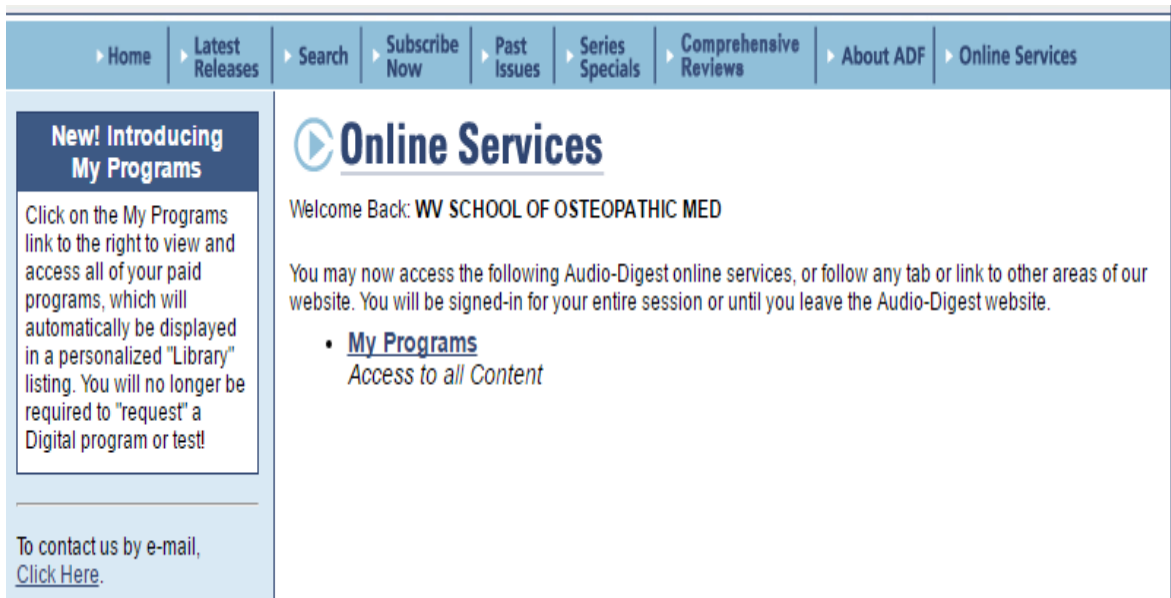

Go to www.audio-digest.org

Click Log In, located on the far right of the page. The username and password are available at the bottom of the MyWVSOM page under Library Resources.

It is also provided as part of the E-Resources chart that is given out by the library at the beginning of the year.

Navigation

Click on **My Programs**. All downloadable material will be available through this link.

The screenshot shows a website navigation menu at the top with the following items: Home, Latest Releases, Search, Subscribe Now, Past Issues, Series Specials, Comprehensive Reviews, About ADF, and Online Services. Below the menu, there is a sidebar on the left with a dark blue header that reads "New! Introducing My Programs". The sidebar text says: "Click on the My Programs link to the right to view and access all of your paid programs, which will automatically be displayed in a personalized 'Library' listing. You will no longer be required to 'request' a Digital program or test!". Below this, there is a link: "To contact us by e-mail, [Click Here.](#)". The main content area has a header "Online Services" with a play button icon. Below the header, it says "Welcome Back: WV SCHOOL OF OSTEOPATHIC MED". The main text reads: "You may now access the following Audio-Digest online services, or follow any tab or link to other areas of our website. You will be signed-in for your entire session or until you leave the Audio-Digest website." Below this, there is a bulleted list with one item: "• [My Programs](#)
Access to all Content".
