

~ 36TH ANNUAL ~
MID-WINTER
**OSTEOPATHIC
SEMINAR**

Jan. 25-27, 2019
Embassy Suites Hotel
Charleston, W.Va.

REGISTRATION FORM

CONFERENCE OBJECTIVES

The objective of this program is to provide an update for physicians to help increase their skills and knowledge of new developments in disciplines related to clinical practice and practice management. The conference will include didactic lectures and hands-on workshops.

The WVSOM Mid-Winter Osteopathic Seminar will offer 20 Category 1-A AOA credit hours. An Outcome Measure Survey will be sent via email following the seminar. By completing the survey, participants will receive up to two additional CME credit hours. Also, the committee is once again seeking approval to fulfill the West Virginia requirement for a three-hour Drug Diversion and Best Prescribing Practices CME during this year's seminar. A complete schedule of topics and speakers will be distributed and posted to the website soon. Below is a tentative outline for how the CME will be scheduled:
